The need for free legal services is at a critical level. Your gift of the suggested \$100 or more will help make justice a reality for low-income Californians.

Contributors of \$1,000 or more will receive special recognition as Benefactors to the Justice Gap Fund.

Millions of Californians in need rely on your generosity to fund the legal aid organizations that are often their only hope for justice.

What is the Justice Gap Fund?

The Justice Gap Fund implements Assembly Bill 2301, signed by the Governor in August of 2006, authorizing the State Bar to collect contributions from its members to support legal assistance for Californians in need, in order to bridge the justice gap.

- Contributions can be made annually with attorney bar member dues or online any day of the year at www.CAforJustice.org.
- 100% of your donation goes to nonprofit legal aid organizations that provide needed legal services.
- The Justice Gap Fund uses the existing network of local legal assistance programs to provide services efficiently and effectively.
- Contributions are tax-exempt to the full extent of the law.
